## February Health Tip

# Eating Disorder Awareness

Eating disorders are more than a problem with food. They are serious medical problems!

## What are the causes?

- ◇ Access to food 24 hrs. a day, making it tempting to overeat and not make healthy choices
- ◇ Not eating enough because of stress, school, and work
- ◇ Feeling more in control of your life and easing tension, anger, and anxiety

## Types of eating disorders

### Anorexia nervosa

- Has a low body weight for her or his height
- Resists keeping a normal body weight
- Has an intense fear of gaining weight
- Thinks she or he is fat even when very thin
- Misses 3 menstrual periods in a row (for girls/women who have started having their periods)

### Bulimia nervosa

- Making yourself throw up
- Taking laxatives
- Feeling unable to control the amount of food eaten
- Exercising a lot, eating very little or not at all, or taking pills to pass urine often to prevent weight gain.
- Falling within the normal range for age and weight.
- Fearing weight gain
- Wanting desperately to lose weight
- Unhappy with body size and shape

## What to do

If you or someone you know is showing signs of an eating disorder, get help. If you suspect a friend has an eating disorder, tell him or her about your concerns. Ask him or her to talk to a counselor or doctor who knows about eating issues, and offer to go along to the appointment. Let your friend know you are there for him or her.

Where to get help at La Salle:  
**Student Counseling Center x1355**  
**Student Health Center x1565**

### Binge-eating disorder

- Eats more quickly than usual during binge episodes
- Eats until uncomfortably full
- Eats when not hungry
- Eats alone because of embarrassment
- Feels disgusted, depressed, or guilty after overeating

## **BROTHER ROUSSEAU JUSTICE AWARD**

### **The Project on Justice in Society** **The Fourth Annual**

- ✚ Each year The Project on Justice in Society honors a faculty or staff member who is committed to creating a more just world with the Rousseau Award. The honoree is given a plaque and there is a reception in the Chapel during Heritage Week.
- ✚ Full time La Salle University faculty or staff may be nominated by any full time employee or student of La Salle University.
- ✚ To nominate someone please send a letter that explains, in as much detail as possible, the reasons why this individual should be considered for this honor. The letter should specifically address how the nominated individual:
  - has worked to develop a society in which no one is marginalized.
  - has worked effectively to change those social situations, public attitudes, structures, or policies which cause people to be excluded, impoverished, or disempowered.
  - has demonstrated an attitude of respect for the dignity of all people, but especially those who suffer from poverty and injustice.

Nominations are due by March 8, 2010.

**Meeting Minutes****Faculty Senate**

January 28, 2010

Attendance: M. Allen, B. Allen, T. Blum, D. Cichowicz, M. Dainton, M. Dillon, D. Falcone, M. McGuinness, J. Mariscotti, M. Moreau, F. Mosca, W. Price M. Smith, L. Texter, J. Volpe, J. Welsh, D. Yost, B. Zetick

Excused: M. Balchunis, P. Feden, M. McCoe

**Executive Session**

The Faculty Senate convened in Executive Session for committee appointments.

**Approval of Minutes**

The minutes of the meeting of December 3, 2009 were approved by a vote of 16-0-0.

**Duties of a Graduate Program Director (version 9)**

Guests: Margaret McManus, Ph.D. and Paul Reilly

President Welsh welcomed Dr. McManus and Mr. Reilly, who went over the changes in this document that were made following their recent presentation on version 8 to the Faculty Senate.

Following the presentation of the guests, the Faculty Senate decided to table a vote on this document, pending review and comments on version 9 from the Graduate Program Directors, as well as the Arts & Sciences Chairs. The Senate expressed that both of these groups are affected by changes in this document, and the Senate wanted to hear views of those directly affected before taking a vote on the document. It was also noted that the Duties of the Chair, which the Senate is scheduled to take up in the near future, should be considered in conjunction with the Duties of a Graduate Program Director, since these documents are interrelated.

**Update on Tenure & Promotion Guidelines**

President Welsh advised that the Senate Executive Committee would draft a charge for the Senate's consideration for a committee composed of faculty who served on the Tenure and Promotion Committee this year. The goal is to solicit these faculty members' feedback about the process and suggestions for any changes needed.

**Discussion on the Third Year Review Policy**

Dr. Michael Smith presented a draft of "Pre-tenure review issues", dated December, 2009, for discussion. The Senators engaged in discussion of this document, but time ran out before all views were heard. Discussion on this draft document will continue at the Faculty Senate meeting of February 9, 2010.

The meeting was adjourned at 1:50 p.m.

Respectfully Submitted by  
Bonni H. Zetick, *Secretary*

## Employment

### FAIS Systems Administrator

The FAIS Systems Administrator will plan, monitor, evaluate and direct FAIS initiatives to ensure business solutions are implemented throughout the Division of Finance and Administration. He or she will also identify and resolve project issues, manage project risks, act as point of contact for other departments to resolve problems regarding FAIS project support, and act as in-house consultant for supporting systems.

Following are the duties and responsibilities:

- Recommend FAIS continuous improvement projects, enhancements, and business process changes to increase efficiency and user acceptance.
- Provide overall direction, support, report generation and training of the functional aspects of a variety of systems including, but not limited to, Banner, Nelnet, and Blackboard.
- Maintain and enhance existing reports/metrics and make recommendations for improvements/enhancements to FAIS systems.
- Coordinate with internal Payroll, HR, AR, Finance and Auxiliary staff to ensure successful testing and implementation of any system changes or enhancements.
- Create and execute project plans, document all new program procedures or instructions.
- Support the users in troubleshooting production issues, analysis of setup and procedural changes, training and report development.
- Oversee and provides training for new users on FAIS functionality.
- Oversee the maintenance of employee data, including position budgeting.
- Maintain and manage accounts and security for salary information.
- Supervise the daily activities of two employees.
- Determine workflow and scheduling of tasks.
- Determine performance objectives/goals, and evaluate overall performance of FAIS group.

Experience with databases serving compensation, benefits, payroll, accounts receivable, and finance is preferred. He or she must have experience in project management, managing applications deployment in a multi-tiered environment, and must possess strong time management and organizational skills, with the ability to prioritize, multi-task, and communicate with technical and non-technical users. Demonstrated leadership, decision making, and team building skills are required. Attention to detail and proven problem-solving skills is essential. Applicants should have a Bachelor's degree in a related field, and five to seven years of related experience and/or similar responsibilities, preferably in a private college or university setting. Experience with SunGuard SCT banner is also preferred.

Interested candidates should send a résumé, cover letter, and three professional references to the following:
